

## CHURCH SECURITY TEAM TRAINING | NON REGULATED

### *Church Security Team training opportunities:*

We are pleased to announce our NEW Church Security Team training courses. Until now we have reserved our Church Security Team training only for our churches that have joined our Gatekeeper Program™ in Texas. We have over 247 licensed officers currently working under the program in Texas which mandates state training curriculum, certification and licensing.

We have decided to expand the opportunity for other church security teams to take part in this proven training program regardless of state or church location.
